

Workshop 7

Topic:	Positive Parenting
Number of participants:	25(max)
Time duration:	08 hours (one day)
Speaker:	Dr.Nipun Choudhry/Dr.Archana Choudhry

Parents are offered positive methods for improving children's and teen's behavior so that the use of punishment is drastically reduced. Our research on more than a thousand children and adolescents shows that not only are ADHD/ADD symptoms greatly improved, but self-esteem for parents and their children is greatly enhanced. Parents consistently rate this approach above or equal to medication in effectiveness planning and group counselling. Learn the best approaches for parents become their role models.

Special attractions: Action Planning & Group Counseling
